10 COMMANDMENTS FOR PERSONAL WORKERS

1. Be natural and pleasant.
2. Diagnose your case, and trust the Holy Spirit to guide you in applying the remedy.
3. If possible, deal with the person alone, and where it is quiet.
4. So far as possible, when doing personal work, choose persons of your own sex.
5. Place full confidence in the Word of God, not in your abilities.
6. Present Christ – not yourself, nor your church.
7. Have the person with whom you are dealing read the Scripture verses themselves.
8. Hold the conversation to the main point – acceptance of Christ, and, above all, do not be drawn into argument.
9. Ask for an immediate decision.
10. Having secured decision, be sure to instruct as to how to succeed in the Christian life, and whenever possible, follow up for further developments.

*“Learn to grapple with souls. Aim at the conscience. Exalt Christ!
