

Your Guide Through The Bible

by Dr. Manford Gutzke

This schedule will guide you through the heart of the Bible in one year. Or you can take two years to follow the schedule, depending on whether both passages listed are read for each day.

Read prayerfully and meditatively. If you cannot keep up with the schedule, then slow down and spend two days on each passage. Do not rush through just for the sake of being able to say that you read it. Allow time for God to speak to you. Read some each day. If you prefer, read two days' passages on Saturday and skip Sunday. There is a Biblical suggestion for this (Exodus 16:29).

To receive the greatest blessing:

1. Look for Christ in each passage - whatever will tell you about or point to Him.
2. Look for God's plan and His will for you.
3. Look for the continuing thought and outline of each book and chapter.
4. Apply the truths of God's word to yourself.
5. Try to understand all you can, but do not stop because of difficult passages. Mark the spot on your schedule and keep going. Later reading may clear it up, or you can come back to dig deeper. Even if you do not understand everything, God is still making an impression on you.

The schedule is designed so that reading can commence on January 1 or at any time of the year. In either case, begin with the first day and check them off as you read.
